

emission limitations and compliance plan requirements were set forth in part 76.

On November 29, 1994, the U.S. Court of Appeals for the District of Columbia Circuit determined that, in promulgating part 76, the Agency had exceeded its statutory authority. The Court vacated part 76. Consequently, those NO_x compliance plans that the Agency had approved prior to November 29, 1994 are no longer in effect. The Court decision has no effect on any other provisions of the permits, including the SO₂ compliance plans. The permits containing the NO_x compliance plans are listed below. Upon reissuance of NO_x regulations, EPA will again address the status of these NO_x compliance plans.

EPA notes that there are some NO_x compliance plans that were submitted, but not acted on before November 29, 1994 or were submitted after November 29, 1994. In light of the Court's decision, the Agency has deferred action on any NO_x compliance plans that had not already been acted on by that date.

Permits for the following sources contain previously approved NO_x compliance plans for all Phase I units with Group 1 boilers located at the sources. These plans are not in effect at this time:

Dunkirk, Greenidge, and Milliken in New York.

Chalk Point and Morgantown in Maryland.

Armstrong, Bruce Mansfield, Brunner Island, Cheswick, Conemaugh, Martins Creek, New Castle, Portland, Shawville, and Sunbury in Pennsylvania.

Albright, Fort Martin, Harrison, Mitchell, and Mt Storm in West Virginia.

Colbert and E C Gaston in Alabama. Crist in Florida.

Bowen, Hammond, Jack McDonough, Wansley, and Yates in Georgia.

Coleman, Cooper, East Bend, E W Brown, Elmer Smith, Ghent, Green River, H L Spurlock, HMP&L Station 2, and R D Green in Kentucky.

Jack Watson in Mississippi.

Gallatin and Johnsonville in Tennessee.

Baldwin, Grand Tower, Hennepin, Hutsonville, Joppa Steam, Meredosia, Newton, and Vermilion in Illinois.

Cayuga, Elmer W Stout, F B Culley, Frank E Ratts, Gibson, H T Pritchard, Petersburg, R Gallagher, and Wabash River in Indiana.

J H Campbell in Michigan.

High Bridge and Sherburne County in Minnesota.

Ashtabula, Conesville, East Lake, Edgewater, Gorge, Miami Fort, Picway, R E Burger, Toronto, W H Sammis, and Walter C. Beckjord in Ohio.

Genoa, South Oak Creek, and Pulliam in Wisconsin.

Burlington, Milton L Kapp, Prairie Creek, and Riverside in Iowa.

Quindaro in Kansas.

Hawthorn, James River, Labadie, Montrose, Southwest, and Thomas Hill in Missouri.

Gadsby in Utah.

Jim Bridger (units BW71, BW72, and BW73 only) and Wyodak in Wyoming.

Common Sense Initiative Iron and Steel Sector Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Common Sense Initiative Iron and Steel Sector Subcommittee Notice of Meeting.

SUMMARY: The Environmental Protection Agency established the Common Sense Initiative Council (CSIC)—Iron and Steel Sector Subcommittee on October 17, 1994 to provide independent advice and counsel to EPA on policy issues associated with the iron and steel industry. The charter for CSIC is authorized through October 17, 1996 under regulation of the Federal Advisory Committee Act (FACA), Public Law 92-463.

OPEN MEETING NOTICE: Notice is hereby given that the Environmental Protection Agency is convening an open meeting of the Iron and Steel Sector Subcommittee on Tuesday, February 21, 1995 from 1:00 p.m. to 5:30 p.m. at the Ramada Hotel—Old Town, 901 North Fairfax Street, Alexandria, VA 22314. Seating will be available on a first come, first served basis.

The Iron and Steel Subcommittee has created four workgroups which are responsible for proposing to the full Subcommittee for review, deliberation, and approval potential activities or projects that the Iron and Steel Sector Subcommittee will undertake, and for carrying out projects once approved. The purpose of the meeting will for the four Subcommittee workgroups to report on the progress they have made, and for the Subcommittee to review and discuss the activities or projects

recommended by the workgroups, to provide further guidance as necessary, and, as appropriate, to approve projects for which detailed workplans will be subsequently developed.

INSPECTION OF SUBCOMMITTEE

DOCUMENTS: Documents relating to the above topics will be publicly available at the meeting. Thereafter, these documents and the minutes of the meeting will be available for public inspection in room 2417M of EPA Headquarters, 401 M Street, SW, Washington, D.C.

FOR FURTHER INFORMATION: For more information about this meeting, please call either Ms. Judith Hecht at 202-260-5682 in Washington, D.C. or Ms. Mary Byrne at 312-353-2315 in Chicago, Illinois.

Dated: January 27, 1995.

Mahesh Podar,

Designated Federal Official.

Jack's Creek/Sitkin Smelting Superfund Site de Minimis Settlement; Proposed Administrative Settlement Under the Comprehensive Environmental Response, Compensation and Liability Act

AGENCY: Environmental Protection Agency.

ACTION: Request for Public Comment.

SUMMARY: The United States Environmental Protection Agency is proposing to enter into a *de minimis* settlement pursuant to Section 122(g)(4) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, (CERCLA), 42 U.S.C. 9622(g)(4). This proposed settlement is intended to resolve the liabilities under CERCLA of 112 *de minimis* parties for response costs incurred by the United States Environmental Protection Agency at the Jack's Creek/Sitkin Smelting Superfund Site, Maitland County, Pennsylvania.

DATES: Comments must be provided on or before March 8, 1995.

ADDRESSES: Comments should be addressed to the Docket Clerk, United States Environmental Protection Agency, Region III, 841 Chestnut Building, Philadelphia, Pennsylvania, 19107, and should refer to: In Re: Jack's Creek/Sitkin Smelting Superfund Site, Maitland County, Pennsylvania, U.S. EPA Docket No. III-94-40-DC.

FOR ADDITIONAL INFORMATION CONTACT: Daniel Isales (215) 597-4774, or Pamela

Lazos (215) 597-8504, United States Environmental Protection Agency, Office of Regional Counsel, (3RC22), 841 Chestnut Building, Philadelphia, Pennsylvania, 19107.

NOTICE OF DE MINIMIS SETTLEMENT: In accordance with Section 122(i)(1) of CERCLA, 42 U.S.C. 9622(i)(1), and Section 7003(d) of the Solid Waste Disposal Act, 42 U.S.C. 6973(d), notice is hereby given of a proposed administrative settlement concerning the Jack's Creek/Sitkin Smelting Superfund Site in Maitland County, Pennsylvania. The administrative settlement was signed by the United States Environmental Protection Agency, Region III's Regional Administrator on September 30, 1994 and is subject to review by the public pursuant to this Notice. The agreement is also subject to the approval of the Attorney General, United States Department of Justice or her designee and for the grant of a covenant not to sue for damages to natural resources, is also subject to agreement in writing by the Department of the Interior ("DOI"). Below are listed the parties who have executed binding certifications of their consent to participate in the settlement: See attached list

These 113 parties collectively agreed to pay \$3,791,664.96 to the United States Environmental Protection Agency toward EPA response costs and have the option of paying \$136,465.87 to DOI for damages to natural resources, subject to the contingency that the Environmental Protection Agency may elect not to complete the settlement based on matters brought to its attention during the public comment period established by this Notice.

EPA is entering into this agreement under the authority of Sections 122(g) and 107 of CERCLA, 42 U.S.C. 9622(g) and 9607. Section 122(g) of CERCLA, 42 U.S.C. 9622(g), authorizes early settlements with *de minimis* parties to allow them to resolve their liabilities under, inter alia, Section 107 of CERCLA, 42 U.S.C. 9607, to reimburse the United States for response costs incurred in cleaning up Superfund sites without incurring substantial transaction costs. Under this authority the Environmental Protection Agency proposes to settle with those potentially responsible parties at the Jack's Creek/Sitkin Smelting Superfund Site who are each responsible for less than .05% percent of the volume of hazardous substances at the Site. The grant of a covenant not to sue for damages to natural resources by DOI to those parties paying their share of such allocated costs is subject to agreement in writing

by DOI pursuant to Section 122(j) of CERCLA, 42 U.S.C. 9622(j).

The *de minimis* parties listed above will be required to pay their volumetric share of the Government's past response costs and the estimated future response costs at the Jack's Creek/Sitkin Smelting Superfund Site. EPA will not know until the first payment is made which parties have chosen to settle with DOI.

The Environmental Protection Agency will receive written comments to this proposed administrative settlement for thirty (30) days from the date of publication of this Notice. Moreover, pursuant to Section 7003(d) of the Solid Waste Disposal Act, 42 U.S.C. 6973(d), the public may request a meeting in the affected area. A copy of the proposed Administrative Order on Consent can be obtained from the Environmental Protection Agency, Region III, Office of Regional Counsel, (3RC20), 841 Chestnut Building, Philadelphia, Pennsylvania, 19107 by contacting Daniel Isaacs at (215) 597-4774 or Pamela Lazos at (215) 597-8504.

Peter H. Kostmayer,

Regional Administrator, EPA, Region III.

FARM CREDIT ADMINISTRATION

Farm Credit Administration Board Action to Release and Discharge Receiver and Cancel Charters of the Federal Land Bank of Jackson and the Federal Land Bank Association of Jackson

AGENCY: Farm Credit Administration.

ACTION: Notice.

On January 27, 1995, the Chairman of the Farm Credit Administration Board executed FCA Board Action NV-95-04 barring claims, discharging and releasing the Receiver, and cancelling the charters of the Federal Land Bank of Jackson and the Federal Land Bank Association of Jackson arising out of the involuntary liquidation of the institutions. The text of the FCA Board Action is set forth below:

Farm Credit Administration Board Action to Release and Discharge Receiver and Cancel Charters of the Federal Land Bank of Jackson and the Federal Land Bank Association of Jackson

Whereas, the Farm Credit Administration (FCA) Board had determined that statutory grounds existed for the appointment of a receiver for the Federal Land Bank of Jackson (Jackson FLB), headquartered in Jackson, Mississippi, and the Federal Land Bank Association of Jackson (Jackson FLBA), also headquartered in Jackson, Mississippi (Liquidating Institutions), under its authority in section 4.12(b) of the Farm Credit Act of 1971, as amended, and 12 CFR 611.1156, and did place the Liquidating Institutions into receivership on May 20, 1988;

Whereas, on May 20, 1988, the FCA Board by FCA Board Action BM-17-MAY-88-01, did appoint REW Enterprises, Inc. as the Receiver for the Jackson FLB and the Jackson FLBA, and published the notice of appointment in the **Federal Register** on May 24, 1988, at 53 FR 18812, as required by FCA regulations;

Whereas, on May 25, 1988, the FCA Board, by Notational Vote NV-88-68 (25-May-88), approved the agreement entered into by the Receiver to enable the Federal Land Bank of Texas and the Federal Land Bank of Columbia to temporarily provide service to new borrowers in the territory formerly served by the Jackson FLB;

Whereas, on February 10, 1989, all territory assigned to the Jackson FLB was permanently reassigned to the Farm Credit Bank of Texas (successor to the Federal Land Bank of Texas) and on September 22, 1989, all such territory, for the purpose of originating and servicing loans for the Farm Credit Bank of Texas, was apportioned among the Federal Land Bank Association of North Alabama, the Federal Land Bank Association of South Alabama, the Federal Land Bank Association of North Louisiana, the Federal Land Bank Association of South Louisiana, the Federal Land Bank Association of North Mississippi, and the Federal Land Bank Association of South Mississippi;

Whereas, on May 4, 1993, the FCA approved the accounts of the Liquidating Institutions for the period May 20, 1988, through May 4, 1993, and REW Enterprises, Inc. was then discharged and released from all responsibility or liability to the FCA arising out of, related to, or in any manner connected with the administration and liquidation of the Liquidating Institutions during the period May 20, 1988, through May 4, 1993;

Whereas, on May 4, 1993, the FCA Board, by FCA Board Action BM-04-MAY-93-04, did appoint William E. Harvey & Associates, Inc. as Receiver (Receiver) for the Liquidating Institutions and published the notice of appointment in the **Federal Register** on May 18, 1993, at 58 FR 28962, as required by FCA regulations;

Whereas, all assets of and claims against the Liquidating Institutions have been disposed of by the Receiver in accordance with the provisions of FCA regulations and the written agreement dated May 4, 1993, between the Receiver and the FCA (Receivership Agreement);

Whereas, in accordance with the provisions of FCA regulations and the Receivership Agreement, all claims filed by creditors and holders of equities have been paid or provided for, including, without limitation, certain administrative expenses that the Receiver has paid;

Whereas, the final audit of the Liquidating Institutions was completed by Arthur Andersen LLP, an independent auditor, as of November 30, 1994;

Whereas, on January 12, 1995, the FCA issued to the Receiver a final Report of Examination of the Jackson FLB and the Jackson FLBA as of December 31, 1994;

Whereas, on January 30, 1995, the Receiver distributed to the Farm Credit System Financial Assistance Corporation all remaining assets, which consisted of the amount in excess of the amount necessary to wind up the receivership, for application against or repayment of any FAC bonds issued after the Liquidating Institutions were placed in receivership in connection with the purchase of preferred stock issued by the Liquidating Institutions. As published in the **Federal Register** notice on November 21, 1990, at 55 FR 48691, any remaining funds of the Liquidating Institutions were to be refunded to the FAC in connection with the simultaneous retirement of an equal amount of preferred stock. The preferred stock was issued by the Liquidating Institutions for the purpose of funding maturing debt obligations, retiring eligible borrower stock, and operating the Liquidating Institutions; and

Now, therefore, it is hereby ordered that:

1. All claims of creditors, stockholders, holders of participation certificates and other equities, and of any other persons and/or entities against the Liquidating Institutions, and, all claims against the Receiver to the extent they arise out of the actions of the Receiver in carrying out the liquidation for the period May 4, 1993, through the date of this FCA Board action, are hereby forever and completely discharged and released against the Liquidating Institutions and the Receiver, and the commencement of any action, the employment of any process, or any other act to collect, recover, or offset any such claims is hereby forever barred.

2. The Receiver's accounts of the Liquidating Institutions for the period from May 4, 1993, through the effective date of this FCA Board action are hereby approved.

3. Except as provided in the Receivership Agreement, the Receiver is hereby finally and completely discharged and released from any responsibility or liability to the FCA or any other persons or entities arising out of related to, or in any manner connected with the administration and liquidation of the Liquidating Institutions during the period May 4, 1993, through the effective date of this FCA Board action. The FCA Board Action BM-04-MAY-93-04 is hereby superseded and terminated by this FCA Board action.
